An Introduction to Autism in Children

Run by El Davis (SENCo at Dorking Nursery School and Children's Centre)

El has spent her career working with children with Autism, including as class teacher at specialist schools for children with Autism. She has worked in an outreach capacity providing support to schools and has trained in a variety of strategies e.g. TEACCH, PECS, Intensive Interaction. She holds a Masters specialising in Autism and Speech, Language and Communication Needs. El is passionate about supporting parents of children with additional needs.

The morning is aimed at parents and carers of children with autism.

During the session, we will look at:

- what autism is and how it tends to present in children;
- perspectives from a person with autism's point of view;
- a range of strategies for supporting children with autism;
- links to support groups and networks for families;
- opportunities to meet and chat with other parents;
- troubleshooting opportunities.

Please note there is no parking on site – please park in nearby car parks in the town centre or check our website for locations of car parks <http://www.dorkingnurserychildrenscentre.org.uk/contact>
