

Tuesday Group

Stay & Play

at the Family Centre on Goodwyns Road

10am-11.30am

A stay and play group for parents and their pre-school children run jointly by Home Start East Surrey and Mole Valley Family Centre.

Each week the garden and playroom will be set up with activities to encourage exploration, curiosity and imagination.

Staff will be on hand to support children and parents as they learn and play together. We end each session with songs and rhymes.

We ask for a donation of £2 per family each week to help
towards the costs of running the group

This group is open to families supported by Home Start or the Family Centre, as well as those where a health professional has requested a place for them.
